JAK WYLECZYŁEM NIEULECZALNE

Twoje zdrowie jest w Twoich rękach. Nie czekaj, aż będzie za późno i w wyniku nieskutecznej farmakologii lub błędnej diety Twój stan pogorszy się na tyle, że trudno będzie coś zrobić. Osiągnij prawdziwe zdrowie, czyli stan, w którym bez leków i suplementów czujesz się bardzo dobrze każdego dnia.

W książce *Jak wyleczyłem nieuleczalne* autor krok po kroku pokazuje, jak wyleczył u siebie reumatoidalne zapalenie stawów, odkrywając również w tym procesie przyczyny innych chorób przewlekłych, w tym cukrzycy.

Przeczytaj, by się dowiedzieć:

- ✓ **co w leczeniu nie działa,**
- ✓ **jak najlepiej przeprowadzić post na wodzie lub post suchy,**
- ✓ **jakiej diety potrzebujesz, aby się skutecznie wyleczyć,**
- ✓ **jak najszybciej przywrócić zdrowie bez leków i suplementów (ewentualnie co suplementować krótkoterminowo).**
